

DIUK ARCHES LTD.

LIMITED WARRANTY

Effective with material produced and sold after December 31, 2012, DIUK ARCHES (“DIUK”) warrants to

(Put name of customer here) (“BUYER”)

that DIUK’s hot-dipped aluminum-zinc alloy-coated Galvalume® and Galvalum Plus® sheet steel with a coating weight of AZ50 and AZ55 sold for use as unpainted steel building panels erected and exposed to normal atmospheric conditions, WILL NOT rupture, fail structurally, or perforate due to corrosion within a period of 20 years after shipment from our factory.

This warranty DOES NOT APPLY to sheets exposed at any time to corrosive or aggressive atmospheric conditions, including, BUT NOT LIMITED TO:

1. Areas subject to salt water marine atmospheres or to constant spraying of either salt or fresh water.
2. Areas subject to fallout or exposure to corrosive chemicals, fumes, ash, cement dust, animal waste or its decomposition by-products, carbon black, or fallout from copper, lead, nickel or silver mining or refining operations.
3. Areas subject to water run-off from lead or copper flashings or piping or areas in contact with lead or copper.
4. Conditions/circumstances where corrosive fumes or condensates are generated or released inside the building.

This warranty DOES NOT APPLY in the event of:

1. Roof or sections of the roof flatter than ¼":12" slope.
2. Mechanical, chemical, or other damage sustained during shipment, storage, forming, fabrication, or during or after erection.
3. Forming which incorporates severe reverse bending or which subjects the metallic coating to alternate compression and tension.

4. failure to provide free drainage of water, including internal condensation, from overlaps and all other surfaces of the sheets or panels.
5. Failure to remove debris from overlaps and all other surface of the sheets or panels.
6. Damage caused to the metallic coating by improper forming (including, but not limited to, roll forming, press braking or embossing) or scouring or cleaning procedures.
7. deterioration of the panels caused by contact with green or wet or pressure-treated lumber, or wet storage stain caused by water damage or condensation.
8. presence of damp insulation, soil, vegetation or other corrosive materials in contact with or in close proximity to the sheets or panels.
9. deterioration to the panels caused directly or indirectly by panel contact with fasteners or by overdriving the fasteners so as to damage the panel. Selection of suitable long-lasting fasteners to be used with Galvalume panels rests solely with the Buyer. Fasteners are to be electrically insulated from the panel surface (e.g., with elastomeric grommets) to prevent dissimilar metal contact.
10. failures caused by acts of force major, falling objects, external forces, explosions, fires, riots, civil commotions, acts of war or radiation.

This warranty shall be subject to the stipulations, limitations, and conditions hereinafter set forth:

1. This warranty shall be interpreted and enforced in accordance with the laws of Israel which shall have exclusive jurisdiction and venue over the enforcement of this warranty.
2. This warranty is contingent on the proper maintenance of the building which is to be provided by the building owner.
3. Diuk's liability for breach of this warranty shall be limited exclusively to the cost of either repairing nonconforming panels, or at Diuk's sole option, of furnishing FOB Diuk's plant sufficient sheet product to enable Buyer to fabricate replacement panels for the nonconforming panels.
4. Diuk's will be responsible for replacement of material only. Diuk shall not in any event be liable for the cost of labor expended by others on any nonconforming material or for a special, indirect or consequential damage to anyone by reason of the fact that such material shall have been nonconforming.
5. This warranty also applies to the material repaired or used to replace the nonconforming material, but only for the unexpired portion of the warranty period applicable to the original material.

6. In order for Diuk to honor any claim on material shipped, Buyer must meet the following claim criteria:
 - Promptly document the claim with identification of material, date of installation, Diuk order number, coil number, invoice number and date of shipment.
 - Diuk shall be given a reasonable opportunity to inspect the material claimed to be nonconforming.
7. In accordance with the UCC-Sales Section, Buyer shall have an obligation to inspect the material and to use reasonable care to protect any rejected material until Diuk has time to conduct its own inspection and make disposition.
8. Diuk extends this warranty solely to the Buyer. This warranty is non-transferable and non-assignable.
9. Diuk reserves the right to terminate this warranty at any time (except as to orders already accepted) upon the giving of written notice thereof.

DIUK ARCHES LTD. MAKES NO WARRANTIES, EITHER EXPRESSED OR IMPLIED BEYOND THE FACT HEREOF: INCLUDING, WITHOUT LIMITATION, WARRANTIES OF FITNESS AND MERCHANTABILITY AND SHALL HAVE NO OTHER LIABILITY WITH RESPECT THERETO.
